**INVESTIGATION:**

Reporting Agent attempted to prove or disprove the allegations by conducting the following investigation.

R/A received the complaint of [REDACTED] alleged several male white officers entered and searched his residence without a search warrant and damaged his door. (Attachments 1, 2)

A sworn affidavit was not signed by [REDACTED] after R/A attempted to contact him via telephone and a certified letter # [REDACTED]. [REDACTED] telephone service line was busy and the certified letter was apparently signed by him and returned to the Internal Affairs Division. (Attachments 3-6)

R/A obtained miscellaneous documents, which included Property Inventories [REDACTED], 07, 12, Search Warrant [REDACTED], Report of PA Derrick D. ALLEN RE: "Delinquent" [REDACTED] and (18) Personnel File Check Results. The search warrant disclosed the names of eighteen Department members involved in the search warrant at 9 [REDACTED] N. Hamlin. (Attachments 7-11)

In summary, this investigation revealed [REDACTED] failed to cooperate after he alleged the aforementioned allegations. A sworn affidavit was not signed by [REDACTED]. R/A attempted to interview [REDACTED] via telephone, but his telephone was busy. R/A mailed [REDACTED] a certified letter, which was apparently signed by him and returned to I.A.D., but he failed to contact the undersigned. Evidence revealed Search Warrant [REDACTED] was executed by eighteen Department members. Eleven of the Department members are male whites, one female white, four male Hispanics, and two African American males. Because the View Complaint Summary related that the accused were male whites, the other Department members were identified as witnesses. Based on the evidence gathered, absent a signed sworn affidavit by [REDACTED] and non-cooperation, the allegations appear to be frivolous. Therefore, this investigation supports a finding of Unfounded.
